

# City of Rolling Fields

SPRING 2020

## Mayor's Newsletter

Normally, I would start off by saying Happy Spring to all in Rolling Fields, but given the current state of dealing with a global pandemic, I think we are all a little bit on edge and anxious about things to come over the next several weeks.

Typically spring is full of outdoor activities, beautiful weather and a renewed sense of vibrancy, but we are now faced with this strange feeling of being closed off from the outside world. I trust everyone is staying at home as much as possible, wearing a mask when they go out in public, and practicing responsible social distancing per the recommendations of our public officials.

On a brighter note, it's great to see people out walking and getting exercise in Rolling Fields, but please remember to keep at least 6 feet apart when walking and limit gatherings to just a handful of people. Your guess is as good as mine when we will return to normal, but I wish you all the best of health and sanity as you manage this unusual time.

A few other reminders relative to some typical activities that go on this time of year. Please adhere to the ordinance in our city that forbids commercial contracting work on weekends. Members of the Commission get calls all spring and summer long about contractors that violate this ordinance, so strict enforcement will continue this year. For any questions, please refer to the website where our ordinances are listed.

Secondly, for those with golf carts, please remember these guidelines:

- Operators must be 16+ years of age
- Golf carts are allowed on neighborhood roads, but are not to be driven on state roads (i.e. Brownsboro Road)
- Carts must be equipped with brake lights, and head lights and tail lights if operated after sundown.
- Follow all traffic laws and regulations applicable to motorized vehicles.

As always, feel free to reach out to me or any member of the Commission with any questions you may have about any of the above, or anything else going on in Rolling Fields.

Mayor David Dunn

Many thanks to the Rolling Fields Newsletter Committee for researching, writing, editing and proofreading this issue. Maybe you'd like to join the group or have an article for the next issue, let us know!

# Cop's Corner

## THEFTS FROM VEHICLES

This crime has been low in our jurisdiction recently, however, the eastern part of Jefferson County and Oldham County have both seen several cases. The offenders will take advantage of the comfort you feel at home by checking for unlocked car doors and stealing any property inside or the car itself. These same groups have also been entering garages and homes, which can lead to just more than a property theft. One case in Oldham County involved the offenders firing several shots after being confronted by the property owner – immediately call 911 if you observe someone committing a crime so our police officers can respond and safely handle the situation.

## SOCIAL NETWORK ACCOUNTS

In addition to our existing Twitter account ([www.twitter.com/ihpdky](http://www.twitter.com/ihpdky)) the Indian Hills Police Department recently created a Facebook page to share information with the public. Please follow us at [www.facebook.com/ihpdky](http://www.facebook.com/ihpdky) to receive important information and news from our department.

## ROLLING FIELDS STEPS UP FOR WASTE MANAGEMENT EMPLOYEES

A big **THANK YOU** to our neighbors who donated over \$1400 through your City as a year-end gratuity for the six Waste Management employees who serviced Rolling Fields throughout 2019.

Thank you to these Rolling Field families for donating: The Scheen, Thomas, Hubbard, Thomas, Wiebusch, Bade, Griesbeck, Davis, Creason, Tachau, Beneke, Conway, Scott, Donan, Johnson, Garretson, Butler, Oyler, Snyder, Jaegers, Nugent, Schoening, and Gathof families. In addition, there are certainly other neighborhood families who thanked these workers directly through envelopes of cash, gift cards or other gifts.

The COVID-19 crisis that is upon us put many workers on the 'front line'. Those who handle our trash removal are amongst them (along with our mail and parcel delivery drivers, utility workers, police and many others) and they are even more appreciated during this difficult time. Please do as much as possible with your trash and recycling to minimize the risk that anyone comes in contact with potentially contaminated surfaces.

## UPCOMING ELECTION

PRIMARY ELECTION DAY TUESDAY, JUNE 23

Date change from May 19!

### Need to know:

- Rolling Fields is in Precinct N131 and the poll is at Chenoweth Elementary, 3622 Brownsboro Road.
- Currently, officials at the Jefferson County Board of Elections are hopeful we will still vote at Chenoweth even though JCPS will not be in session. The people at the Election Center are very helpful and you may call 502-574-6100 for additional information.
- You may register to vote or update your current registration online at [elections.jeffersoncounty.org](http://elections.jeffersoncounty.org)
- There are no non-partisan races this election and the ballots are very short for our precinct.

### Sample Ballots

When reading over the sample ballots below, keep in mind they had already been printed before many candidates dropped out of races. Look for an indication on the ballot as to which candidates are no longer running.

### Democrat

<http://elections.jeffersoncountyclerk.org/MyBallot/images/Ballots/N131-D.pdf>

### Republican

## KEEPING OUR NEIGHBORHOOD CLEAN

KEEP IT  
*Clean!*

It's spring time! Let's start off spring right by cleaning up the area around your home. Please remove unwanted items such as dead plants, empty pots, scattered toys, random clutter, etc. Thank you for your efforts to keep our neighborhood looking its best!

## TRASH REMINDER

A reminder that garbage cans and other waste materials may be placed at curb-side not earlier than the day prior to the collection and must be removed to behind the house (so as to not be visible from the roadway) not later than the day of collection. Thank you for all your help!

## PLEASE SLOW DOWN

The neighborhood streets must remain a safe place not only for vehicles, but especially for our children. Even though we try to watch out for their safety in every way, children often run out of garages or dart out from behind parked cars into the street. Residents are reminded to please reduce your speed when driving in our neighborhood. We count on all residents to keep our neighborhood safe.

## Protect what makes memories.

Family dinners and game nights—we'll help you protect what matters most, with home and auto insurance that best fit your needs and budget.

or Patrick Walz 502-779-1977

# Thank you for your kindness

**Anne and Rick Guillaume** (pronounced “Gil-e-um”) moved into their lovely home at the corner of Rolling Lane and Pennington in 1986. They had previously lived off of Hwy 22 with their two children Lee and Jill. Their family has grown to include four grandchildren and two great grandchildren (born six weeks apart!)

The house has undergone several renovations over the years including a post tornado addition of the white columns and a sunroom. Rick and Anne added a first floor master bedroom, a breakfast room and a laundry room in 1996.

Quite a few changes have taken place in Rolling Fields over the 34 years they have lived here. “Lots of wonderful young families have moved in as well as lots of renovations. It’s clear no one wants to move.”

Anne and Rick are truly high school sweethearts having met while both attended Shawnee High School. They moved onto Western Kentucky

University and married soon after graduation. They will celebrate their 55th wedding anniversary in June.

Rick began his business career at Liberty National Bank. He worked there for 30 years, eventually becoming president. He then became CEO of Bank of Louisville (BB&T). He continues to stay very busy in his retirement years as he is on a number of boards.

Anne and Rick have hosted many large parties over the years, many for their friends at Christ Church Methodist and many for business and various charities. Our favorite party is the Fourth of July celebration that takes place in their front yard. Anne is the consummate hostess and Rick is the consummate snow cone “chef”.

We thank them for their kindness in allowing us to celebrate in their front yard and for being such wonderful neighbors.

# Welcome to the Neighborhood!

**Eric and Lindsay Harden** and their three children, Harper (9), Molly Frances (7) and Wells (4) are excited to be moving in to Rolling Fields. Eric and Lindsay are both Louisville natives and their children attend Holy Trinity Parish School. The Hardens are looking forward to making Tiffany Lane their forever home.

**Graham Switzer** Born and raised in Louisville. Went to Trinity High School and the University of Kentucky. I am a financial advisor at Morgan Stanley. I have a 4 year old Golden retriever named Teddy.

## Cash William Murray

was born on September 16, 2019 and weighed 7lbs 9oz. His big brother Luke and parents Luke and Kara are loving life with the new addition to our family!

## Graham Malone Ricketts

was born on January 23, 2019. Big sister, Charlotte, was very excited to welcome home her baby brother! Jill and McCauley are thrilled to be a family of four.
